Sandwich Preschool for All's Developmental Screening Process

What do I need to do to have my child screened?

- Call Haskin School (815) 786-8812

How does the screening work?

- When you call be prepared to respond to some basic questions about your child
- There will be a packet of information that you will be filling out during your child's screening time
- Bring a copy of your child's birth certificate with you to screening
- Your child will be assessed on motor, language, cognitive, and self-help skills.
- The information will be reviewed and you will be contacted to discuss results of the screening paperwork
